Seed & Planting Stock Verification Letter

Supplier of Seeds/Planting Stock: _____

Address:

_____

Telephone: _____ Fax: _____

Email:_____

This verification letter should be completed by the seed or planting stock supplier for *non-organic* planting materials supplied to QCS-certified organic growers. Alternatively, the seed or planting stock supplier may provide a company statement that addresses the information requested herein. Documentation of UNTREATED and NON-GMO status of seeds and planting stock must be maintained by the certified entity for any NONORGANIC VARIETY which is to be used based on the certified entity's determination that the variety is not commercially available as organic.

VERIFICATION OF COMMERCIAL NONAVAILABILTY FROM 3 BONAFIDE ORGANIC SEED SOURCES ON FILE

Species	Variety	Planting Material Type (eg seed, tuber)	This variety is not available in organic form (please check box if organic not available)	Allowed Treatment (state specifically and include trade name)

The above listed seeds and planting stock are UNTREATED with respect to synthetic substances, or have been TREATED _only with substances explicitly listed in NOP Section 205.601 "Synthetic substances allowed for use in organic crop production."_

If a nonsynthetic treatment (eg kaolin), or a synthetic substance listed in NOP Section 205.601 has been applied, provide this information in the 'Allowed Treatment' column.
